

YOUR PERSONAL MADNESS

Youth Leaders – there is so much goodness packed in to this year’s Summer Madness programme that we think that it needs chewed on before you even get to the doors of the Kings Hall. So we are releasing the schedule of events earlier than ever...and have even created a few ‘tailored made’ recommendations to help guide your young people through the week-end.

Most important, you get to hang out with all your mates, discover new ones and maybe even discover new dimensions of yourself!
