Festival Guide 2019

# WELCOME TO SM2019

Welcome to Summer Madness 2019! We are so glad to have you with us at the festival.

As we gather together from across Ireland, across backgrounds and across dominations to worship, to learn, to grow and to have plenty of laughs along the way, we're excited to see what God may do at Summer Madness.

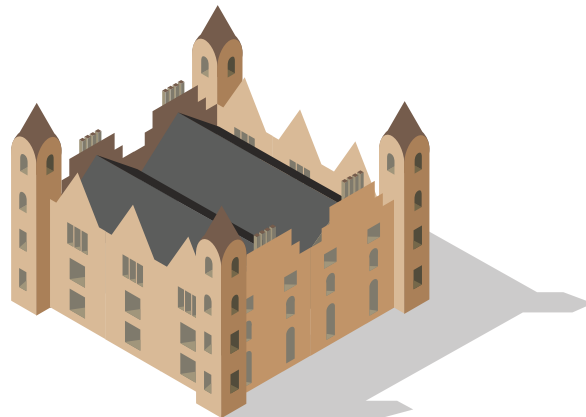

Many of you are here with friends and in groups so we hope that you take time to share your experiences and learning from the Main Stage and Seminar programmes. There's space in the programme each morning so you can meet as a group to discuss what's going on.

We have a packed line up of seminars and workshops in the afternoons and a bountiful supply of musicians and venues to keep you entertained in the evenings. We've also ramped up the fun activities and sports to get the competitive spirit flowing!

Once again we expect God will do wonderful things at the festival and we look forward to hearing many stories of changed lives and renewed faith. So, relax, have fun, be open to God and enjoy the festival!

## I AM A TEMPLE

Joshua Luke Smith | Tearfund

"Did you not know... You are a Temple of the Holy Spirit? You are not your own". (Corinthians 6:19)

I believe this question, penned thousands of years ago has the power to transform the way we define our humanity. These ancient words are a call to revolution, the manifesto of a resistance, the witness that the Divine is using us, yes us, in all our contradiction, confusion and chaos, to rebuild what the empire tore down. We are the Temple, the evidence that God's presence is not afraid of the trenches, that hope will have the last word and every moment matters.

This workshop will equip, empower and challenge us to live like every moment matters, we'll create a unique manifesto for our lives and explore how we can use our voice, the work of our hands and every part of our life to change the world around us.

## #WHOCARESIDO - DIGNITY, DARING & DISABILITY

*Ian Dickson | The Hub*

Excluded. Bullied. Lonely. Many young people with disabilities face these realities every day. They need a place of belonging, faith and adventure. Without stigma. High on human value. Removing boundaries. Tio presents to leaders (and anyone) a way of being that place. Should be said, 'it will change everyone!'

14:00

## LESS THAN 10

*Rachel Burke, Jade Irwin, Billy Fyffe & Sam Neill | CIYD*

When your faith journey takes you to unexpected places. Stories from 4 people who have experienced significant shifts in their spiritual outlook.

## MAKE SLAVE FREE NORMAL

*Chloe Fulton (IJM) | Tearfund*

Over 200 years have passed since the abolition of slavery and yet there are more slaves in our world than ever before. In fact, many of our everyday products potentially have been found to have slavery and exploitation in their supply chains. The bible is full of stories of justice- from Moses leading God's people out of slavery to God continually

reminding his people to turn away from hypocrisy and to live justly. Join IJM as we share stories of freedom and explore, through a minor prophet, what issues in our world we might be singly loudly over or that we can be part of ending slavery in our lifetime.

## SOUL SISTAS AND MEN MADNESS #3

Join us as Rachel unpacks issues affecting young people currently, discussing the responsibility we have in their spiritual formation as youth leaders, and how best to equip the young people in our care.

## NATURALLY SUPERNATURAL

*Laura Green, Sam Neill & Beth Tays | The Hub*

## PROCESS RATHER THAN PRODUCT

*Susie Keegan | The Hatch*

There's been a lot to take in over the weekend and in order to process it all, it can help people to creatively explore how they process information. It's important to get things from our head out. This time at the Hatch we'll be looking at some Art therapy tools to help that process along.

## CULTURE - ARE YOU SHAPING IT OR SHAPED BY IT?

*Stu Bothwell | YFC*

We process over 34gb of data every day. Culture shapes us through every chat, class, ad, video, song, show, like and share. This is scary but also gives us an incredible platform to shape our world through the lens of Jesus.

## SHAKEN? - COPING WITH DIFFICULTY.

*Big House, Christina Bailie | Tearfund*

All of us experience good days, and not so good days. It is normal for us all to have times when life feels a little tricky or difficult. But did you know, there are lots of little things we can practise every day to help us keep going, especially when life feels tough.

Shaken is an exciting new resource being launched this Autumn by the Connor Diocese and The Big House. It lets you try out new and fun coping mechanisms which can be used every day, including on the not so good days we all have. Come along to this seminar to be one of the first people to try out Shaken!

16:30

## FAITH & POLITICS: LEAVE, REMAIN OR ABSTAIN?

*Lisa Whitten | CIYD*

Should Christians be political? We live in the era of Brexit, Trump and fake

news. It is an age of polarization; one where Populism has become popular and Alt Right ideologies have entered the mainstream. Threats from global terrorism, an unresolved migration debates and the severe repercussions of a changing climate all loom large in our collective futures. Knowing all this, how ought people of faith engage in politics... should we even try?

## NEW CHRISTIANS - THE BASICS

*Stephen Whitten & Darren O'Reilly | The Hub*

The start of any journey is full of anxiety and excitement and the journey of faith is no different. If you have recently become a Christian or given your life to Jesus at the festival this seminar is a must for you and your youth leader. We want to equip you with the information and guidance to help you make bold strides toward Jesus at the start of your journey with him.

## IT'S A KINDA G-MAGIC

*G-Magic | The Hatch*

Up and coming magician, G-Magic, is coming along to teach people some tricks to surprise and dazzle their friends.

## THE MISSING PEACE

*Daniel Johnston | Tearfund*

Jesus says, "Blessed are the peacemakers", but what does that look like? We see images on the news of violence and war - if we were to think about a word for the world we would say it is far from peaceful. However, Jesus' call to be peacemakers means there is purpose and possibility in our peacemaking. Come and find out how we can put Jesus' words into practice and be real change makers in a divided and war-torn world.

## 24-7 Prayer

**24-7 PRAYER IRELAND**  
PRAYER, MISSION & JUSTICE

Right now different people, from different nations all around the world are praying in 24-7 prayer rooms in all sorts of different locations! Churches, schools, prisons and high streets to give just a quick sample. So why should Summer Madness be any different? During the festival we'll be praying from 8am to midnight (we know, not quite 24 hours!)

The prayer room is a creative and interactive space for you to come and spend time chatting with God through words, art, music, activity and silence. Our desire is that the prayer room will be a place where you can meet with God, where you can process what He is saying to you throughout the festival and pray big prayers for your family, friends, church and the nation!

You are so welcome to make use of the prayer room. Sign yourself up for a slot and get along with God or gather up some of your friends and come spend an hour praying for one another and seeking God.

The prayer room will be closed during the Main Stage Sessions.  
**The prayer room will be located in the Sub-Camp.**

For more information on prayer rooms or 24-7 Prayer, please call in and say hello to us during the festival or check out our website:

## Prayer Spaces in Schools

### Calling all children's or youth workers, teachers and students?

Prayer Spaces in Schools is on the move in Ireland and we would love you to join with us in our vision and see this take off in every school across the land.

Since 2007, Prayer Spaces in Schools (an initiative of 24-7 Prayer) has supported well over 1000 prayer spaces in countries all over the world, enabling over 500,000 young people to experience prayer – many for the very first time. For a few days, a space within a school is transformed into a safe, hospitable place that includes a range of creative activities encouraging students of all faiths and none to reflect on issues as wide ranging as identity, forgiveness, injustice and thankfulness.

So how about your local schools? If your interested in getting a prayer space in your school speak to one of the team at the 24-7 prayer venue or check out the website **www.prayerspacesinschools.com**

**24-7 PRAYER IRELAND**  
PRAYER, MISSION & JUSTICE

The HUB venue is back by popular demand for Summer Madness 2019!

Run by the Church of Ireland at Queen's University, there's a great selection of drinks, milkshakes, lunches, ice-cream and plenty of folk around to ensure you're well looked after.

We have space to chill and take time-out from the busy festival and also space to join the banter with our amazing line-up of live entertainment each evening. This year we are also hosting late night worship to end each day the right way!

Pop in and say hello! We would love to see you.

Instead you're invited to chill, chat and enjoy the vibes. It also happens to be where all of the Summer Madness merchandise is sold so if you want to grab yourself some stash or peruse the work of our in house design team come on over and enjoy the atmosphere. All the money from coffees and merchandise goes straight back into supporting the ministry of the festival.

## Exhibitors

## TOTAL RECALL

This year we are releasing all the Mainstage talks and seminars FOR FREE through our podcast stream. Re-live all the sights and sounds of SM19.

You can listen on spotify, apple podcasts, pocketcasts or wherever you get podcasts.

## PRAYER MINISTRY

The Prayer Team are a dedicated bunch of all-agers who are keen to help you connect with God and will be available after every Main Stage worship gathering (somewhere near the front). They'll also be available in the 24-5 Prayer Venue during the afternoons and can be seen on site in their **Turquoise**.

There's no funny business: your first name and what you want prayer for is all we ask. We keep confidences unless criminal or abuse issues, suspected or actual are raised.
